Item 7.01 Regulation FD Disclosure

Reference is made to the information set forth in response to Item 8.01, which information is incorporated herein by reference.

In June 2010, Northeast Bancorp (the “Company”) and Northeast Bank (the “Bank”) entered into certain commitments with the Board of Governors of the Federal Reserve System (“FRB”). At the time the Reorganization (as defined below) is effected and there is no longer a bank holding company, these commitments no longer will be applicable. The Bank instead intends to establish the following standards relating to its capital levels, asset portfolio composition and sources of funding, which will be incorporated into its policies and procedures:

- Maintain a Tier 1 leverage ratio of at least 10%, which is unchanged from the requirement in the commitments to the FRB;
- Maintain a Total capital ratio of at least 13.5% (as opposed to 15%);
- Limit purchased loans to 60% of total loans (as opposed to 40%);
- Maintain a ratio of the Bank’s loans to core deposits of not more than 125% (as opposed to 100%); and
- Hold commercial real estate loans (excluding owner-occupied commercial real estate) to within 500% of Total capital (as opposed to 300%).

These newly established standards are designed to help ensure the Bank will continue to operate in a safe and sound manner, but may permit more growth in the Bank’s loan portfolio, as compared to operating under the existing commitments. The Company and the Bank believe that these changes will result in an increase in loan capacity in future periods, as well as a decrease in the costs associated with holding excess cash.

Item 8.01 Other Events

On March 11, 2019, the Company announced that the Bank has received the approval of the Federal Deposit Insurance Corporation (“FDIC”) for its previously announced corporate reorganization, pursuant to which the Company will merge with and into the Bank, with the Bank continuing as the surviving entity (the “Reorganization”). If the Reorganization is approved and effected, the bank holding company structure will be eliminated and the Bank will become the top-level company.

The Reorganization remains subject to various closing conditions including, among others, (i) approval by the holders of the outstanding shares of the Company’s capital stock entitled to vote on the Reorganization, (ii) receipt of all remaining required regulatory approvals, including approval of the Bank’s stock issuance and amended and restated articles of incorporation and bylaws by the Maine Bureau of Financial Institutions, and (iii) approval for listing on NASDAQ of the Bank’s common stock.

Following the Reorganization, it is expected that the Bank will be a publicly-traded company listed on the NASDAQ Global Market (“NASDAQ”) under the same ticker symbol currently used by the Company, “NBN.” The Bank’s common stock will be registered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which vests the FDIC with the power to administer and enforce certain sections of the Exchange Act applicable to banks. Accordingly, the Bank will file annual, quarterly and current reports on Forms 10-K, 10-Q and 8-K with the FDIC instead of the Securities and Exchange Commission and such reports will be available to the public on the FDIC’s Securities Exchange Act Filings System at www.FDIC.gov.

A copy of the press release, dated March 11, 2019, is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
